

Artsource Global City 2-for-1 Challenge

Show us how well you know your Global Cities and join our 2-for-1 campaign

How well do you know your Global Cities? Challenge yourself or get your friends to team together and answer this around-the-world-in-20-questions quiz based on residencies undertaken by Artsource members around the world. We are aiming to raise a total of \$15,000, which will be matched by the \$15,000 Plus1 Grant.

[Click here to make your individual or team donation through our JustGiving page](#) then complete and submit this quiz under the same individual or team name. Every dollar you give will be doubled by Creative Partnerships Australia's 'Plus1' program, helping us to provide two valuable residencies in Singapore for professional artists in Western Australia.

Answers will be emailed once we have reached our \$5,000 target.

- * 1. What is the artwork title and name of the artist who was commissioned by the Al Bustan Complex in Abu Dhabi for this 5m long wall-mounted work?

1. ANSWER: *Folded Cosmos* by Caspar Fairhall

This large, wall-mounted work was commissioned for the Al Bustan Complex. The work draws upon the star motifs and geometric tiling patterns of Islamic art, as well as recent findings that suggest these medieval patterns anticipated mathematical discoveries by hundreds of years.

* 2. What city is depicted in this J.M.W. Turner painting of a 'cow-field'?

2. ANSWER: Rome

After the fall of the Roman Empire, the Roman Forum was abandoned and became an overgrown field as depicted in J.M.W. Turner's *Campo Vaccino*, which translates to 'cow field'.

* 3. What is this building called?

3. ANSWER: Guggenheim Museum Bilbao

Designed by architect Frank Gehry and nicknamed 'The Flower' for its organic curves, the Guggenheim Museum Bilbao has become one of the world's most iconic contemporary art galleries.

* 4. In what country was this fresco 'restored' unofficially by a member of the public?

4. ANSWER: Spain

Painted by Elías García Martínez, *Ecce Homo* resides in the Sanctuary of Mercy Church in Borja, Spain. An elderly parishioner of the church made the unofficial restoration attempt in 2012, turning the fresco into an internet phenomenon and the small town into a pop culture tourism hotspot.

* 5. What is the name of the Western Australian gallery where artist Penny Bovell exhibited a body of work based on a two-month artist residency in Skagaströnd, Iceland?

5. ANSWER: ArtCollective WA

Penny Bovell's work has seen her chase the contrasting weather conditions of monsoon in Kerala, India and most recently on a two month artist residency in Skagaströnd, on which her exhibition, Ice/land, is based on.

* 6. In what country did artist Kati Thamo take this photograph on an Artsource residency exchange in 2010?

6. ANSWER: Transylvania

This photo was taken in Transylvania during Kati's Eastern European residency.

"I can easily conjure up the memory of being in the places I visited," she says. "It remains a parallel reality which I carry around in me."

* 7. This modernist building is the last civil work of which Spanish architect?

7. ANSWER: Antoni Gaudi

Known locally as 'La Pedrera' ('the stone quarry') for its sheer, cliff-like exterior, Casa Mila, is a modernist building completed in 1912 by Antoni Gaudi.

* 8. Which town pictured is the location of Artsource's longest-running residency exchange?

8. ANSWER: Basel

Artist residency exchanges between Artsource and the Christophe Merian Foundation have been running since 1989 and have seen nearly 60 artists make the journey to or from Basel and the Artsource Fremantle Residency studio.

* 9. What is the name of the artist who designed this permanent sound installation in Melbourne?

9. ANSWER: Federation Bells

39 inverted bells on stands, each with a mechanised hammer inside, play compositions and tunes written and submitted by the public. The installation was designed by Anton Hasell, Neil McLachlan and Swaney Draper Architects in 2001, to celebrate the centenary of Australia's federation.

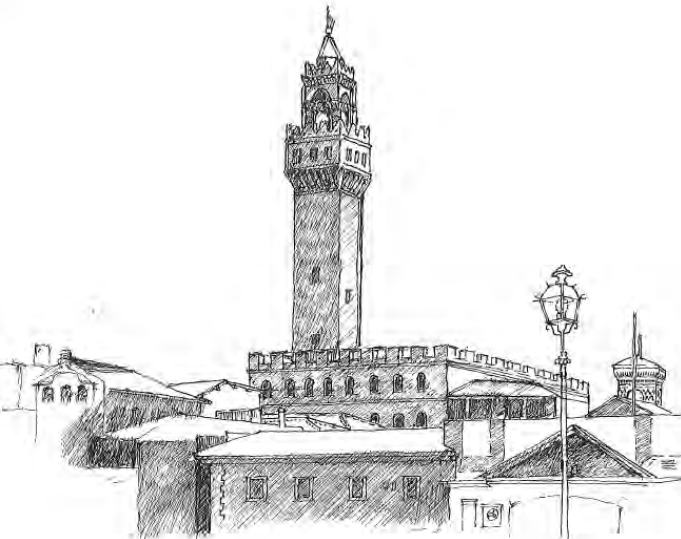

* 10. Which city pictured is home to the partner university whose students and staff link with ECU's in the ongoing collaboration of Third Space, a creative research project based on Homi Bhabha's social theories of third space in relation to modern hybrid societies and diaspora?

10. ANSWER: Shanghai

Third Space is an ongoing creative research project between the School of Communications and Arts, Edith Cowan University and the University of Shanghai Science and Technology. The project connects students and staff from the two universities to develop collaborative artworks.

* 11. Drawn on his 2013 residency to Europe, Hans Arkeveld's sketch depicts the town hall of which Italian city?

11. ANSWER: Shanghai

Third Space is an ongoing creative research project between the School of Communications and Arts, Edith Cowan University and the University of Shanghai Science and Technology. The project connects students and staff from the two universities to develop collaborative artworks.

* 12. Which artist created this giant-sized transformative public art in Chicago?

12. ANSWER: Anish Kapoor

The 20m long *Cloud Gate* is installed in Millennium Park, Chicago. Artist, Anish Kapoor, was inspired by liquid mercury and 'The Bean,' as it's known locally, has gained international recognition as a transformative and interactive artwork that changes along with the environment it reflects and warps.

* 13. What is the name of this British art gallery?

13. ANSWER: Tate Modern
